Non Acid Drain Opener removes most organic obstructions such as Grease, Hair, Soap, Sludge, Rags, Paper, Food, Coffee Grounds, etc.

remueve la mayoría de las obstrucciones orgánicas tales come Grasa, Pelo, Jabón, Desperdicios, Trapos, Papel, Comida, Borra de Café, etc.

Drains - Completely Clogged:

Remove any standing water. Slowly pour 16oz. in drain - let stand 45 minutes. Flush with water. If necessary repeat treatment. For large drains, several treatments may be needed and let stand overnight before flushing with water.

Drains - Semi-Clogged: Slowly pour 8 oz. in drain, let stand for 30 minutes. If necessary, repeat treatment. After last application, flush thoroughly with water.

SPECIFICATIONS

Physical Form	Liquid
Color	Water White
Odor	None
pH (concentrate) . . .	13.0+/- .5
Density/Specific Gravity...	>1
	water = 1
Shelf Life	2 year min
DOT Shipping Label...	ORM-D
Biodegradable.....	Yes
NPE	None
Califirbua prop 65	N/A

Active Ingredients:

Grease Dissolving Alkali + Wetting Agent

**Precautions: DO NOT USE IN ALUMI-NUM VESSELS
 DO NOT MIX WITH OTHER CHEMICAL**
