ALL PURPOSE WATER SOLUBLE DEGREASER INCREDIBLY FAST - SAFE - ECONOMICAL

DESCRIPTION

This is a powerful, fast acting, cleaner & degreaser. For all industrial uses. Penetrates and emulsifies even the heaviest dirt, grease and oil. Cleans any water safe surface

This product can be diluted 50 to 1 with water for general floor wall and hard surface cleaning.

DIRECTIONS

Apply to surface with spray, brush or mop. It immediately absorbs, emulsifies and floats away grease and oil. Cuts through every type of dirt and grease, separating them from the surface for easy rinsing.

For use in removing; Grease, Wax, Gum, Dirt, Ink, Carbon, Oil and Lipstick. Ideal for use in automatic scrubbers because of low foaming qualities. A Heavy duty cleaner for floors, walls and any other water safe surface.
