DOT Shipping Label None
Silica None
Bio Based Content >75%
USDA Bio Preferred Yes

In an instant: Emergency spills are absorbed into an easy to clean up granular gel. This is a safe and eco friendly product that also eliminates unpleasant odors.

This super concentrated formulation of bio based materials and natural essential oils can absorb over 100 times its own weight.

Simply Sprinkle a layer of Super Sorb directly onto spill. After a few seconds, the spill will be a dry granular gel that can be swept up easily and disposed.

APPLICATIONS:

- *BLOOD *VOMIT
 - *URINE *FOOD SPILLS
 - *MOST LIQUID SPILLS
- (NOT FOR OIL)**

Available in Natural Eucalyptus
Super Lemon
Spring Green
