# Truck & Trailer Wash

**TRUCK & TRAILER WASH  
 BIODEGRADABLE -  
 VOC - COMPLIANT - NO NPE**

**VEHICLE WASH COLD OR HOT WATER  
 CUTS THROUGH ROAD FILM,  
 EXHAUST SOOT AND OILY GRIME IN  
 ONE QUICK,  
 COMPLETE APPLICATION  
 CONCENTRATED BIODEGRADABLE  
 DETERGENT  
 NON-FLAMMABLE ECONOMICAL**

**DESCRIPTION**

This premium liquid truck and trailer wash formulated to remove exhaust deposits, road film, and bug residues from painted vehicle surfaces, all in one application without brushing. This formulation will work with cold water, and applied under low pressure. It is environmentally safe, it does not contain caustics, acids, phosphates or solvents. Designed specifically for use with pressure wash cleaning, this easy to use liquid has essentially no odor, and produces low-to-moderate foam during use. Designed for transportation and vehicle washing where minimum agitation of the surface is required. Phosphate free, made with biodegradable detergents, free rinsing and non-flammable. Concentrated formula for economy, mild to vehicle surface.

**FEATURES:**

- Penetrates Road Film Dirt Grease and Grime
- NO need for scrubbing .
- Environmentally friendly. NO distillates or voc
- Extremely economical due to high use dilution
- Labor & Time Saver
- Consists of a blend of readily biodegradable surfactants, augmented by quick acting builders

**SPECIFICATION**

|                                 |                |

**APPLICATION  
 TRUCKS - TRAILER - RV - BUS  
 EQUIPMENT AND MORE**

**DIRECTIONS**

- Test on inconspicuous area with recommended dilution to determine surface integrity before use. Face protection and protective clothing is recommended.
1. Heavy duty: Dilute this product with 20 parts water. For light duty dilute product with 100 parts water.
  2. Apply diluted product with pressure washer, sprayer or truck brush, working from bottom to top.
  3. Brush heavily soiled surfaces. Do not allow product to dry on surface.
  4. Rinse thoroughly with water from top to bottom. High pressure rinsing is recommended.

**DILUTIONS:**

**Ideal product to be used with automatic dilution equipment or manual dilution.**

**EQUIPMENT:**

**Can be used with drive through truck wash, pressure or manual application**

It is recommended that protective gloves and safety glasses be worn when using this and all cleaning products.

**Refer to MSDS for further safety information.**

**Packaging: All standard sizes**
