ALKALINE VEHICLE WASH
COLD OR HOT WATER
CUTS THROUGH ROAD FILM,
EXHAUST SOOT AND OILY GRIME IN
ONE QUICK APPLICATION
CONCENTRATED BIODEGRADABLE
DETERGENT
NON-FLAMMABLE ECONOMICAL

DESCRIPTION

This is a heavy duty Alkaline concentrate. This system allows cleaning heavy dirt grease and grime from transportation vehicles. Our heavy duty systems allows washing with minimum agitation of the surface.

Made with free alkali (mild when diluted) and concentrated biodegradable detergents, This is a free rinsing degreaser/ wash that can take care of all your transportation vehicle cleaning. With a high concentrate, this formula formula is extreme!

This is the ideal formulation for removing road film, exhaust, soot, and oily grime in one quick, complete application.

FEATURES:

- Penetrates Road Film Dirt Grease and Grime
- NO need for scrubbing .
- Environmentally friendly.
- NO petroleum distillates or voc
- Extremely economical due to high use dilution
- Labor & Time Saver
- Consists of a blend of readily biodegradable surfactants, augmented by quick acting builders

SPECIFICATION

Physical Form	liquid
Flash point (TCC)	Non-flammable
Odor	Detergent
pH	13.0 +/- 0.5
Color	Water white
Shelf Life.....	1 year minimum
Specific Gravity	>1
D.O.T. Shipping Label	Yes Corrosive
VOC compliant	Yes

APPLICATION
TRUCKS - TRAILER - RV -BUS
EQUIPMENT AND MORE

DIRECTIONS

- Test on inconspicuous area with recommended dilution to determine surface integrity before use. Face protection and protective clothing is recommended.
1. Heavy duty: Dilute this product with 20 parts water. For light duty dilute product with 100 parts water.
 2. Apply diluted product with pressure washer, sprayer or truck brush, working from bottom to top.
 3. Brush heavily soiled surfaces. Do not allow product to dry on surface.
 4. Rinse thoroughly with water from top to bottom. High pressure rinsing is recommended.

DILUTIONS:

Ideal product to be used with automatic dilution equipment or manual dilution.

EQUIPMENT:

Can be used in drive through truck wash, pressure or manual application

It is recommended that protective gloves and safety glasses be worn when using this and all cleaning products.

Refer to SDS for further safety information.

Packaging: All standard sizes
