PRODUCT BULLETIN

**HEAVY DUTY CLEANER DEGREASER
 BIODEGRADABLE - VOC - COMPLIANT - NONPE**

Clear Choice Cleaner Conditioner all purpose is an environmentally responsible yet powerful and highly concentrated cleaner. We select high quality detergents and solvents. These materials meet the Design for Environment standards for environmentally responsible materials due to proven low toxicity and readily biodegradability. Clear Choice all purpose is a powerful, highly concentrated cleaner.

This formula was designed for the facility that needs on product to satisfy virtually any requirement.

By choosing the correct dilution, any soil problem is easily solved. (see general dilutions on side)

Clear Choice all purpose can be used for removing DIRT - GREASE - OIL - STAINS and so much more from water safe surfaces.

A TRULY VERSAILE ENVIRONMENTALLY RESPONSIBLE HEAVY DUTY CLEANER-DEGREASER.

FEATURES:

- *Penetrates and emulsifies even the heaviest dirt, grease and oil.
 - ***Cleans** food service equipment & machinery.
 - ***Removes** Dirt and soils from concrete & floors.
 - ***Unique** formula can be use by spraying, wiping, autoscrubbing, or pressure washing equipment.
 - ***Consists** of a blend of readily biodegradable surfactants, mild alkali, and an environmentally preferable grease-dissolving solvent.
- The **outstanding** property of this product is its very fast action in different cleaning operations on a wide variety of surfaces. It is non-flammable and non-corrosive.

SPECIFICATION

| | |
|---------------------------------|----------------|
| Physical Form | liquid |
| Flash point (TCC) | Non-flammable |
| Odor | Detergent |
| pH | 11.0 +/- /.5 |
| Color | Water white |
| Shelf Life..... | 1 year minimum |
| Specific Gravity | >1 |
| D.O.T. Shipping Label | Not required |
| VOC compliant | Yes |

DIRECTIONS

Ideal product to be used with automatic dilution equipment or manual dilution

FULL FACILITY CLEANING: For total facility cleaning in schools, institutions, buildings and any facility, Use this product for any water safe surface. **Set up on automatic dilution machine** with the following dilutions, or dilute manually. **Use with mop bucket for large areas or spray bottle for small areas.**

GENERAL DILUTIONS:

Use 0.5 oz per gallon of water for glass cleaning
 use 1-2oz per gallon of water for daily cleaning of floor and other surfaces
 4-6oz/gallon for medium duty cleaning
 8-10oz for heavy duty cleaning

*May also be diluted 4 oz per gallon of water and used to autoscrub floor finish, removing only the top layer. Then re-apply 1 to 2 coats of new finish. Saves labor, time and money.

USE APPLICATIONS INCLUDE:

Floors - Walls - Finished floors (diluted) Appliances, equipment - Wax removal. and much much more. Just follow the above dilutions and all your cleaning jobs will look simple clean fast and easy.

It is recommended that protective gloves and safety glasses be worn when using this and all cleaning products.

Refer to SDS for further safety information.

Packaging: All standard sizes
